Toll Free
1-866-561-1026

Appointments with the
nurses can be in person, on
the phone or by Manitoba
tele-health

PATIENT & FAMILY EDUCATION

Talk with one of our nurses in person or by phone. Discuss a breast or gynecological cancer diagnosis, surgery, chemotherapy, radiation, hormonal therapy, survivorship, reconstruction, recurrence etc.

PEER SUPPORT

We can match you to talk with a trained volunteer who has had a similar breast or gynecological cancer diagnosis, treatment, circumstance and/or concern.

LIBRARY

Our library features up to date books, videos, and DVD's that address all aspects of breast and/or gynecological cancers. We also have a computer with internet access for clients.

INFORMATION SESSIONS

We provide sessions about: Before Surgery, After Surgery, Breast Reconstruction, Treatment Induced Menopause, and Moving Forward After Breast or Gynecological Cancer.

PROSTHESES & BRAS

Information on the Manitoba Breast Prosthesis Program is available.

We also have gently used bras and prostheses that are provided at no charge. A fitting can be arranged.

SUPPORT PROGRAMS & SERVICES

Call us for information on support groups, and programs and services that are offered.

VOLUNTEER OPPORTUNITIES

Find out about how to get involved as a volunteer and help others living with breast or gyne cancer.

If you are interested please call us.
